NEW!! EXCEL PRO ELITE WHEELSETS

Wheelset

- Premium wheels engineered for outstanding durability and reliable performance in demanding riding conditions.
- Wheelset comes with bearing and seals mounted in the hub.
- Hub spacers and all bolts for sprocket & rotors are included in the package.

Hubs

- Hubs are manufactured in Europe by a trusted manufacturer known for quality and precision.
- The hubs are made from 1 piece billet 6082 T6 alloy on the most current technically advanced CNC machines.
- The Excel Hubs have been developed to withstand hard impacts results from SX and MX racing.
- Hubs are anodized and available in Black and Brand Colors.
- Hubs are delivered with all mounting hardware.

Additional Features

- Center tube and spacer are made of 7075 hard alloy.
- Stock brake rotor and sprocket can be mounted on the hubs.
- Hubs are fitted with Koyo bearings, with worldwide availability.
- Stock bolts for sprocket & brake rotors can be used with Excel Pro Elite Hubs. **Except Honda CRF models.*
- Most rear hubs have 3 bearings instead of 2 as some stock wheels have.
- Our spokes are made from a special stainless steel and are up to 10% stronger than OEM spokes.

**Honda CRF model hubs will come with bolts.*
